

Propell, part of the TYCROP Group of Brands, wishes to support the training and development of young people in our community in an effort to meet ongoing requirements for trained, skilled and educated individuals to fill future employment opportunities and community service roles. Our hope is that by providing financial assistance, Propell will encourage local students to pursue a post-secondary education at an accredited college, university, technical or vocational school and further utilize that training at Propell to foster a sustainable organization.

For 10 years, Propell has been the North American leader in well stimulation and completion equipment with three facilities and equipment in operation across the U.S. and Canada. We support leading well service companies with new equipment technology, equipment renewal, product training and after-sales support.

Propell designs and manufactures pressure pumpers, proppant handling solutions, coiled tubing units, blenders and chemical transport equipment. We pride ourselves in bringing our customers ideas to life and strive to be the most trusted energy solutions provider in the industry.

Propell would like to contribute to this year's Education Awards by **providing a \$500 award to a chosen applicant of those graduates that are creating their future through business studies and trades programs.**

For the **Propell Education Award**, we ask that all applicants provide:

- A covering letter, which includes an outline of the applicant's career objectives and how it relates the financial award
- A letter of recommendation from a teacher, counselor or administrator from the applicant's school – This recommendation can be made based on financial need, work ethic, community involvement or academic standing.
- An attached short essay: Your Greatest Success to Date.
- The applicant's resume

<b>STUDENT PERSONAL INFORMATION</b>
