

2020 Financial Education Awards

For more than three decades, TYCROP has been designing, engineering, building and supporting mobile equipment for specialized markets around the world. We collaborate from the start – working with our customers to create innovative products that do more than expected, get the job done better and drive productivity.

Our most valuable asset is our staff of over 200 talented people – and it shows. The people that work at TYCROP come here, learn here, and stay here for many years – it is this shared, collective expertise and a never-ending pursuit of improvement through applied innovation and teamwork that gives our company a decided competitive advantage in everything we do.

TYCROP wishes to support the training and development of young people in our community in an effort to meet ongoing requirements for trained, skilled and educated individuals to fill future employment opportunities and community service roles. Our hope is that by providing financial assistance, TYCROP will encourage local students to pursue a post-secondary education at an accredited college, university, technical or vocational school and further utilize that training at TYCROP to foster a sustainable organization.

The TYCROP Group of Brands includes independent business units through which TYCROP sells products for specific industries, known as brands to the marketplace.

TYCROP Trailers would like to contribute to this year's Education Awards by providing **3 awards of \$500.00 each for chosen applicants of all graduating students that are creating their future through business studies and trades programs.**

For the **TYCROP Trailers Business and Trades Awards** we ask that all applicants provide:

- A covering letter, which includes an outline of the applicants career objectives and how it relates the financial award
- A letter of recommendation from a teacher, counselor or administrator from the applicant's school – This recommendation can be made on the basis of financial need, work ethic, community involvement or academic standing.
- An attached short essay: Your Greatest Success to Date.
- The applicant's resume
