

GW Graham Counselling Support & Graduation Planning

General Goal

- To ensure all students have a graduation plan and supports necessary for success
- To ensure all students have counselling and Youth Care Worker access for mental health support

Timetable and Course Changes

- Students can access their timetable on MyEdBC on Thursday, August 27th. Please see the document “G.W. Graham MyEd BC Student Manual” for instructions on how to access student timetables
- Students must email their school counsellor for requesting any course changes. All students are assigned a school counsellor based on their last name. Below is our school counsellor contact information:

Student Last Name	Counsellor	E-mail
E – G and O - Z	Ms. Hancock	kim_hancock@sd33.bc.ca
A – D and H - N	Ms. Mussell	maryanne_mussell@sd33.bc.ca

- Course change requests will be prioritized based on graduation planning
- **Any changes that have been processed will be reflected by Sept 8. Students must check in their accounts regularly to find out changes to their schedule.**
- **All course change requests must be completed before the course starts. We are unable to change classes after a course is started due to the condensed nature of the course being completed within 22 school days**

Accessing Counselling, Career Advisor, and Youth Care Worker Support

- We are unable to provide drop-in counselling or Youth Care Worker support due to the constraints of restricting school sections for classes
- School counsellors can be accessed by email
- Career Advisor can be accessed by email kimberley_willock@sd33.bc.ca

- Youth Care Workers can be contacted by text during regular school hours at the following numbers:

Amber Mothus – 604 793-5310

Kathryn Fehr – 604 795-0584
