

G.W. Graham Food Services

General Goal

- Provide several different food services options in order to spread out the number of people accessing food at the same location
- Stagger our lunch break in order to reduce the number of people accessing food at the same time
- Shorten our lunch break in order to reduce the amount of time with larger numbers of people gathering. More time was added to the morning and afternoon classroom breaks

Lunch

- The lunch break will be provided in the following staggered schedule:

Section	Location	Time
1	B - Upper Level Classes/Music/Theatre	11:00 – 11:30
2	A and C – Main Floor Classes	11:15 – 11:45
3	C – Upper Level Classes	11:30 – 12:00
4	Portables and B – Main Floor Classes	11:45 – 12:15

- Students are encouraged to bring their own lunches, but we understand families are busy, and accessing food at school may be important
- Students are able to eat their lunch in their classroom or outside
- Students are able to go off campus to access food service, but our shortened lunch will require students to return promptly
- The following food services will be available:

Food Service	Location
Canteen	Multipurpose Room
Fraser Valley Vending	Outside the Main Gym
Food Truck	Outside the Main Entrance
