Course Selections

This is an important message from the counselling department. We are nearing the end of course selection. The MyEd portal will be closed tomorrow, and students will hand in their course selection forms in their CLAW block. Counsellors are available at lunch today in C183 – the computer lab near the counselling area, for drop-in. We can answer any questions you might have about your course selections and assist with inputting your courses. Have a great day and don't forget to input your selection and complete your form!!!

Term 2 GPA

Term 2 GPA for grades 10 through 12 is now posted. Printed lists are on the office window, closest to the bus loop. Lists are organized by your Student ID number.

GPA will be posted until tomorrow at the end of the day!

If you have questions, please see Ms. Mancinelli at the office.
