Attention math 9 and 10 students! Do you need extra help with your math? Stop by Ms. Krause's room C174 TODAY AT LUNCH to get on-on-one help with your math from other math students. See you there!

Good morning GW Graham Students. This is an important announcement from the counselling department to let you know that summer learning registration has opened. Both repair and course completion options are available. If you are a student that is unsure about whether you will pass a required graduation course or wish to get ahead and complete an additional academic, summer learning could be for you. If you are interested and want to learn more, please contact your school counsellor. Have a great day!
